Updated as of Tuesday, June 9th, 2009:

As of today, all applicants have been notified of the results of the above four programs.

Notifications to applicants for the Discovery and Development Fund were issued today.

Successful candidates for Graduate and Post-Doctoral Fellowships and the Discovery and Development Fund will be posted this week pending confirmation that all applicants have received notification.

Industry Research Chairs and the Premier's Medal of Innovation recipients will be posted on June 29th, 2009 following an awards ceremony for successful applicants of all four programs. Invites are forthcoming.

Please note that postings will only include successful candidates and will be in alphabetical order.
Individual project rankings will not be posted.
